Puddings Take a look at the bar or ask us what sweet treats we've got for you this week

We cook everything fresh so this may mean a short wait at times...please be patient with us...it will be worth it!

All of our burgers are made here in the pub using minced steak, smoked brisket and chicken all from our brilliant butcher next door, **Nigel Wilcox**.

Our brioche buns are exclusively handmade by award winning **Flour, Water, Salt**; local artisan bakers, and our salad is fresh from **The Corner Plot**.

As well as our wonderful food...and everyone knows how great the beer is...we also offer a full range of hot drinks; Americanos, Lattes, Cappuccinos, Espressos (all available as decaf if it's getting close to bedtime) Tea, Herbal & Fruit Teas, Hot Chocolate, syrups, cream, marshmallow...

Don't forget to see what film we're showing upstairs at 8...remember, it's completely FREE!
